

FIRST INFORMATION STATEMENT

XIX R&D Contest- Conference Between Young Scientists and Specialists of the RSE NNC RK

**September 29- October 1, 2020
Kurchatov, East Kazakhstan Region,
Republic of Kazakhstan**

To implement the order for the RSE NNC RK № 03-17/05 ext. of the 24.01.2020, by the order of Director General №22a of April 16, 2020, the XIX R&D Contest-Conference Between Young Scientists and Specialists of the RSE NNC RK will be housed by the branch “Institute of Radiation Safety and Ecology” in Kurchatov city between September 29 and October 1, 2020. The Organization Committee and the Council of Young Scientists and Specialists of the RSE NNC RK invite the employees of the RSE NNC RK, RSE IGR and RSE INP up to 35 years old with works on the subjects related to the work of the RSE NNC RK (fundamental, applied, engineering and technical area) to take part in the Contest-Conference.

ORGANIZERS

Republican State Enterprise “National Nuclear Center of the Republic of Kazakhstan” of the Ministry of Energy of the Republic of Kazakhstan

Branch “Institute of Radiation Safety and Ecology” of the RSE “National Nuclear Center of the Republic of Kazakhstan”

INFORMATION SUPPORT

“Bulletin of the NNC RK”. Journal “Human. Energy. Atom”

TIMED AGENDA

September 29, Tuesday – opening, contestants’ presentations

September 30, Wednesday – contestants’ presentations

October 1, Thursday – contest completion, summing up

IMPORTANT DEADLINES

September 21 – issue of the second information statement

October 30 – submission deadline to publish papers in the journal “Bulletin of the NNC RK” (in accordance with journal requirements)

ORGANIZING COMMITTEE

Chairman:

Assan Aidarkhanov – Director of the branch “IRSE” of the RSE NNC RK, tel.: +7 (722-51) 3-34-13, e-mail: Asan@nnc.kz

Secretary:

Olga Seraya – Head of the Bureau for Scientific and Technical Information of the branch “IRSE” of the RSE NNC RK, tel.: +7(722-51) 3-22-44; e-mail: Seraya@nnc.kz

Members of the Organizing Committee:

Tatyana Truschenko – Head of the Department for Scientific and Analytical Information and International Cooperation of the branch “IAE” of the RSE NNC RK, tel. +7(722-51) 3-31-25; 44-72 (ext.); e-mail: Truschenko@nnc.kz

Gulmira Budanova – Specialist of the Department for Budget Programs and Personnel Training of the RSE NNC RK, tel: +7 (722-51) 3-33-33(ext.430); e-mail: Budanova@nnc.kz

Tatyana Yuryeva – Leading Engineer of the RSE IGR, tel. +7 (722-51) 3-47-77 (ext.137); e-mail: Yuryeva@igr.kz

Maksat Bekmuldin - Junior Research Associate of the branch “IAE” of the RSE NNC RK, member of CYSS of the NNC RK, tel.+7(722-51) 3-31-25 ext. 9-381; e-mail: Bekmuldin@nnc.kz

JURI

Chairman:

Vladimir Vityuk – PhD, Deputy Director General of the RSE NNC RK for Science

Co-chairman:

Murat Umarov – PhD (Chemistry), Deputy Director of the branch “IRSE” of the RSE NNC RK

Secretary of the Jury:

Sergey Baranov – PhD (Biology), Leading Specialist of the Department for Budget Programs and Personnel Training of the RSE NNC RK

Jury Members:

Sergey Subbotin

- PhD, senior research associate of the Department for Development of Environmental Monitoring Systems of the branch “IRSE” of the NNC RK;

Aleksandr Vurim

- PhD (Physics and Mathematics), Chief Specialist for Nuclear Technologies of the branch “IAE” of the RSE NNC RK;

Ulan Igibayev

- Head of the Comprehensive Geophysical Research Department of the RSE IGR RK;

Yerzhan Sapatayev

- PhD, Head of the Laboratory for Radiation Material Science of the branch “IAE” of the RSE NNC RK;

Galymzhan Mamytbekov

- Doctor of Chemistry, Chief Scientific Officer of the Center for Comprehensive Ecological Researches of the RSE INP RK;

Arman Miniyazov

- Head of the Laboratory for Testing Materials under Conditions of a Fusion Reactor of the branch “IAE” of the RSE NNC RK, representative of the CYSS of the RSE NNC RK.

From “Provisions on organization and holding the Annual R&D Contest Conference Between Young Scientists and Specialists of the RSE NNC RK”:

Original research works and development works (published for the last 2 years in form of scientific papers, conference reports and reports), representing independent researches performed by a specialist or group of specialists (not more than 4 authors) are permitted.

Works are nominated for the contest by the decision of Scientific and Technical Councils and Scientific Councils of the Institutes.

Participants should submit their completed works according to the GOST 7.32-2017 to the jury not later than 1 month before the contest-conference.

Contest papers are submitted in 2 versions (soft and hard copies), - together with the statement of Science and Engineering Board. Texts of articles should be submitted to the secretary of the Organizing Committee via its members.

Articles to be published in the journal “Bulletin of the NNC RK” should be prepared according to requirements given in the journal and online at <http://www.nnc.kz/trebovania.html>.

To participate out of competition, young scientists and specialists from other scientific and educational organizations are welcome.

Application form is available online at the web-site of the NNC RK <http://www.nnc.kz/>. Applications and papers should be forwarded via members of the organizing committee:

Olga Seraya (branch “IRSE”)

tel.+7 (72251) 2-22-44, +7(72251) 2-29-13 (ext. 1-16); e-mail: Seraya@nnc.kz

Tatyana Truschenko (branch “IAE”)

tel.+7 (722-51) 2-31-25, 4-72 (ext.); e-mail: Truschenko@nnc.kz

Gulmira Budanova (RSE NNC RK)

tel.+7 (722-51) 2-33-33(ext.430), e-mail: Budanova@nnc.kz

Tatyana Yuryeva (RSE IGR)

tel. +7 (722-51) 3-47-77 (ext.137); e-mail: Yuryeva@igr.kz
