From ‘Provisions on the Annual Research and Development Contest Conference Among Young Scientists and Specialists, RSE NNC RK’:

The contest admits original research papers and experimental developments (published over the last 2 years in the form of scientific articles, conference papers or reports), which represent independent research by a specialist or a team of specialists (4 authors at most).

Contest papers are decided upon by STC and academic councils of institutes.

Contestants at least 1 month prior to the beginning of the contest conference are to submit their papers to the secretary of jury, prepared and designed as per GOST 7.32-2017.

Contest papers are submitted in 2 forms – soft and printed along with a STC statement. Article texts in papers should be sent to the secretary of the organizing committee via its members.

Articles to be published in the journal ‘NNC RK Bulletin’ have to be prepared according to requirements quoted in the journal and at the website <https://journals.nnc.kz/jour/about/submissions#authorGuidelines>.

Young scientists and specialists from other scientific and educational institutions are welcome to participate off-contest.
